NATHI LOMAX

South Hampton, NH | lomaxn@dickinson.edu | linkedin.com/in/nathi-lomax

EDUCATION

Dickinson College — Carlisle, PA
Bachelor of Arts Candidate, Economics and Political Science — *Sep 2026 – May 2030*

Phillips Exeter Academy — Exeter, NH
Graduated with Honours — *Sep 2022 – Jun 2026*

PROFESSIONAL EXPERIENCE

TagMe — Remote
Co-Founder — *Jun 2026 – Present*

- Co-founded a photo-based social app that builds networks from real-world proximity, using facial recognition to auto-tag friends; grew to 2580 faces tagged since founding, with more than 80% of suggested tags confirmed by users
- Leading the company's incorporation: preparing the certificate, terms of service, bylaws, stockholders' agreement, and stock purchase agreement, and compiling tax documentation
- Conducting investor outreach to raise funding, and working with Apple and Stripe on app distribution and payment processing

ESSO Microfinance — Exeter, NH
Senior Associate — *Sep 2024 – Jun 2026*

- Evaluated 5–10 microfinance loan applications weekly from borrowers across 70+ countries, assessing creditworthiness, downside risk, and profitability projections to support lending decisions
- Analysed investment profitability for small-business owners across diverse industries in developing economies, applying portfolio diversification principles

FINANCE PROGRAMMES AND SIMULATIONS

Bank of America – Investment Banking Virtual Experience (Forage) — Remote
Mergers and Acquisitions Simulation — *Sep 2026*

- Identified an ideal acquisition target through a SWOT analysis and assessment of the client's strategic criteria; produced a company profile summarising key information
- Constructed a DCF model to calculate implied equity value and share price, and executed a sensitivity analysis to show how the valuation changes as key variables move

Citi Wealth – Job Simulation (Forage) — Remote
Portfolio Construction and Client Advisory — *Sep 2026*

- Built a client portfolio and investment strategy using asset allocation and security selection principles, emphasising tax efficiency and moderate risk tolerance
- Created and delivered a persuasive client presentation explaining complex investment concepts to build trust and rapport

LEADERSHIP AND ACTIVITIES

Dickinson Student Investment Group — Carlisle, PA
Analyst — *Sep 2026 – Present*

- Participated in a competitive application process, build DCF models and present weekly stock pitches with a valuation, thesis, and key risks

Dickinson College Economics Club — Carlisle, PA
Secretary — *Sep 2026 – Present*

- Oversee communications for a 100+ member club, record minutes, design presentation slides, and pitch new initiatives to the executive board
- Launching a student-run economics publication and a recurring economics debate series

Dickinson Investment Competition — Carlisle, PA
Participant — *Sep 2026 – Nov 2026*

- Managing a $1 million simulated portfolio over 10 weeks on the StockTrak platform, trading across US equities, fixed income, derivatives, and cryptocurrency
